

How to separate and dispose of recyclables and garbage

☆Garbage and recyclable items (except large-size garbage) will be collected even on calendar holidays whenever those collection days fall on such holidays. However, these collection days will become irregular during the year-end/New Year period, so please check the Ichikawa Bulletin Flier or Ichikawa City Website for updated information.
 ☆Please check the "district-based list of collection days" on the reverse side for your area's designated collection days, and fill in the blank squares.

~Rules for garbage disposal in Ichikawa City~

- Please place your garbage at the designated collection point by 8:00 a.m. on the day of collection.
- Please separate recyclables and garbage properly.
- Please make sure to put burnable garbage, non-burnable garbage, and plastic container and wrapping in the bags designated by Ichikawa City and place them at the collection point.
